Wonderful Action of Elec-tro-la, The New Hair-Remover, Will Surprise You.
Nearly every man or woman who has been troubled with superfluous hair, undesirable hairs, has had experience with various preparations which merely burn off the surface hair, radden the skin, and all to kill the hair roots.
Elec-tro-la is the remarkable new hair-remover which does more than merely kill the surface hair. It goes

to the hair roots, destroys them absolutely and forever.
Besides this, Elec-tro-la, instead of burning or reddening the skin as other hair-removers do, leaves the skin fresh and soft, so nobody can ever tell you have been using anything. Elec-tro-la contains no barium nor any element not found in pure wholesome mineral water. Whether the superfluous hair is of light or heavy growth, Elec-tro-la will destroy it immediately and permanently.
Even light fuzz makes a woman look coarse. Heavy growth is humiliating, and is Cupid's worst enemy.
Make your face, arms, hands, shoulders, neck and bust look clean and exquisite by using Elec-tro-la.
The regular price is \$1.00 a bottle. Your money refunded if you are not satisfied.
Just send coupon below, with name and address, together with 2c stamp to pay for postage, for a free trial package of Elec-tro-la to prove what it will do.

FREE TREATMENT
Fill in your name and address on dotted lines below and send it to Ko-Ree-Tiv Co., 5155 State St., Chicago, enclosing a two-cent stamp to help cover mailing, and we will send at once a free trial bottle that will show what Elec-tro-la will do for you. 7182.

DOES WHAT NO HUMAN HAND CAN DO

It automatically sharpens the ordinary OLD STYLE RAZOR, any style or make of SAFETY RAZOR, including the "Gillette" and Durham Duplex, and it sharpens them better than the most expert barber can do it. By using the BRANDT AUTOMATIC STROPPER you do not hold the razor while stropping; you cannot round your edge or cut your strop. The Brandt Automatic Strop strops your razor for you. It requires no skill or experience. BRANDT'S SELF-HONING RAZOR STROPS—The strop that is ready for use when sold, needs no preparation and is guaranteed not to get hard and glossy. HUNTER HILL IS SMILING BROADLY
Houston's Success Puts the Soft Pedal on Many Kicking Fans.

San Antonio, Texas, May 25.—Hunter Hill is much delighted now. On the road trip in north Texas, Houston has been showing up in fine shape. The team made a clean sweep of the series with the Dallas team, the league leaders, and have jumped into the first division. Less than a week ago Houston was in the cellar and the knackers were predicting the team would never get out. The coming of Newman and a few switches in the line up has resulted in wonders being accomplished. Hill is in a position to jump Port Houston into third place at any time. Hill is smiling broadly at the fans who said he and Houston could not come back. Forsythe is suffering with a dislocated shoulder which will keep him out of the game for sometime. Newman collided with him. His loss is a serious one to the Dallas team which is needing all of its men to keep in first place.

Austin Runs Behind.
Austin has been steadily losing ground, now being next to last in the league race. But still that is not as bad as it seems. The team has won 16 and lost only 15 games while the league leaders have won only 15. The White Sox are leading the teams as evenly balanced as this relative standing can be changed very quickly. The double system of umpiring is being used in Texas. A White Sox succeeding excellently in a money saver it may be expensive in the long run, but in the long run for the fans are so much better satisfied that the attendance is always greater.

Young Cy Young, who twirls for Oklahoma City, has not proved a puzzle this year to the league leaders. He has been losing regularly. Enns has been placed at third for Dallas and Tullos sent to the outfield. Dallas is a combination of the two. Enns is working in a manner which has benefited the team considerably.

Six Recruits Sent Back.
New York has sent six recruits back to the brush, among whom is Tressau, last year with Shreveport, and Shonts, last year with Dallas. Tressau goes to Toronto and Shonts goes to Newark. Gowdy, last year with Dallas on first base, is being retained as a utility player. McGraw seems to think he has the making of a better catcher than a first baseman. The discarding of Shonts to the Newark team does not come as a surprise to the Texas league, as he has not been showing at all good for several weeks.

Pitcher Louder, last year in the Texas league, has been purchased by Cincinnati. He was purchased from the Texas league by Detroit but was sent to the Detroit team this season. Louder is a right-handed pitcher. He was never a part of Louder but not our other young pitchers developed in such a remarkable way. Griffith may make a big thing out of the lad. I look for him to make good.

Gibson of Dallas is back in the game after a serious illness. He seems fully recovered and is playing an excellent game. Speaker, the great Texas outfielder with Boston, will be at his Texas home for some weeks. His ankle is in a bad way and it is possible that it will be the middle of June before he lifts a leg other bat. He was in the best shape in his career when the accident happened.
